Kalinda Primary School’s Vision Statement
A learning community with shared values, fostering a life-long love of learning through meaningful experiences, to embrace a constantly changing society.

From the Principal……..

Student Accident Insurance Arrangements

Below is an excerpt from a memo from the Department of Education which I draw to the attention of all our families.

“Parents are reminded that the Department does not provide personal accident insurance for students. Parents and guardians are responsible for paying the cost of medical treatment for injured students, including any transport costs. Student accident insurance policies are available from some commercial insurers. These cover a range of medical expenses not covered by Medicare or private health insurance.”

School Council Elections 2013
Information for Parents

What is a school council and what does it do?
All government schools in Victoria have a school council. They are legally constituted bodies that are given powers to set the key directions of a school within centrally provided guidelines. In doing this, a school council is able to directly influence the quality of education that the school provides for its students.

Who is on the school council?
For most school councils, there are three possible categories of membership:

A mandated elected Parent category – more than one third of the total members must be from this category. Department of Education and Early Childhood Development (DEECD) employees can be Parent members at their child’s school as long as they are not employed at the school.

A mandated elected DEECD employee category – members of this category may make up no more than one-third of the total membership of school council. The principal of the school is automatically one of these members.

An optional Community member category – members are coopted by a decision of the council because of their special skills, interests or experiences. DEECD employees are not eligible to be Community members.

Generally, the term of office for all members is about two years. The term of office of half the members expires each year, creating vacancies for the annual school council elections.

Why is Parent membership so important?
Parents on school councils provide important viewpoints and have valuable skills that can help shape the direction of the school.

Those parents who become active on a school council find their involvement satisfying in itself and may also find that their children feel a greater sense of belonging.

How can you become involved?
The most obvious way is to vote in the elections, which are held in Term 1 each year. However, ballots are only held if more people nominate as candidates than there are positions vacant. In view of this, you might seriously consider standing for election as a member of the school council encouraging another person to stand for election.

Do I need special experience to be on school council?
No. What you do need is an interest in your child’s school and the desire to work in partnership with others to help shape the school’s future.

What do you need to do to stand for election?
The principal will issue a notice of election and call for nominations following the commencement of Term 1 each year. All school council elections must be completed by the end of March. If you decide to stand for election, you can arrange for someone to nominate you as a candidate or you can nominate yourself in the Parent category. DEECD employees whose child is enrolled in a school in which they are not employed are eligible to nominate as parents for the school council at that school. Once the nomination form is completed, return it to the principal within the time stated on the notice of election. You will receive a Nomination Form Receipt in the mail following the receipt of your completed nomination. Generally, if there are more nominations received than there are vacancies on council, a ballot will be conducted during the two weeks after the call for nominations has closed.

Remember
- Ask at the school for help if you would like to stand for election and are not sure what to do
- Consider standing for election to council this year
- Be sure to vote in the elections.
- Contact the principal for further information.

**PERSONAL GOODS BROUGHT TO SCHOOL**

Personal property is often brought to school by students and visitors. This can include mobile phones, electronic games, calculators, toys, sporting equipment and cars parked on school premises.

The Department does not hold insurance for personal property brought to school and it has no capacity to pay for any loss or damage to such property. Therefore, parents are reminded to discourage children bringing these items to school.

Lost Property Jumble Sale

All unnamed lost property is going to be set out on tables down in the Stadium foyer on Monday before assembly.

There is so much of it that we cannot put it into the second-hand shop so we are simply asking that parents make a **$2 donation (per item)**, which will go towards the State Schools Relief Fund, who help families in need with school uniforms.

This is a great chance to stock up on spare clothing for the coming year.
First In – Best Dressed.

Please note that after this sale, all unnamed lost property will only be kept for one week and then will be thrown out!! So please make sure that all of your children’s clothing, lunchboxes, drink bottles, school bags, footballs, basketballs, etc. are marked clearly with their first name and surname. Named articles will be returned to their classrooms.

Australian Government Assistance for National Capital Excursion

Next week, students from Kalinda Primary School will be undertaking an educational tour of the National Capital. While on this tour they participate in a variety of educational programs focused on Australia’s history, culture, heritage and democracy.

The Australian Government recognises the importance of all young Australians being able to visit their National Capital as part of their Civics and Citizenship education. To assist you (the parent) in meeting the cost of the excursion, the Australian Government is contributing funding of $30 per eligible student under the Parliament and Civics Education Rebate program toward the travel expenses incurred. This contribution will be paid directly to the school upon completion of the excursion.

We would like to thank the Australian Government for their support of this program. We hope that the excursion is a rewarding experience for all students.

LITERACY AND MATHS TIPS TO HELP YOUR CHILD

Each week we will be putting a Literacy or Maths tip into the newsletter for you to share with your child. This week it is on READING TOGETHER….

Reading is an important way to make the link from spoken words to written words. Reading to your child is a valuable thing to do. Here are some tips:

- Encourage your child to select the books, magazines, catalogues, multimedia stories or DVDs.
- Discuss the pictures in a book and encourage your child to talk about the pictures.
- Share wordless picture books to develop imagination, ideas and vocabulary by naming things in the pictures.
- Re-read your child’s favourite books and stories.
- Look for rhyme, rhythm or repetition in books.
- Support your child to make their own books with pictures and then ‘read’ the story to you.

THE FITNESS TRAIN: Please see the ‘ongoing’ advertisement (...) as seen later in this edition of Kalinda’s Newsletter regarding the partnership between Kalinda Primary School and The Fitness Train (see: [http://thefitnesstrain.com.au/](http://thefitnesstrain.com.au/)).

The partnership involves the offer of group training sessions to Kalinda parents on the school grounds, but after school drop off. The program is perfect for members of the Kalinda community who want the benefits of having a Personal Trainer (at the shared cost of training in a group) and also with the convenience of building sessions into ‘the school routine’.

Sessions will be on Tuesdays and Fridays from 9:00am and finish around 10:00am. Please contact Noel from The Fitness Train directly on 0411 259 679 or info@thefitnesstrain.com.au

STUDENT BANKING

Due to other commitments, we will not be able to start Student Banking until Wednesday 6th March.

CASSANDRA HAMILTON
Welcome to 2013 from Kalinda Parents and Friends! We hope you have had a great start to the year. Our P&F AGM was held on 10th December 2012 and the following people successfully elected into executive positions:

- President: Shona Crothers & Crissi Kippie
- Vice President: Kath Gee
- Secretary: Virginia Goodes
- Treasurer: Deborah Hamilton
- Parents Victoria Rep: Nicky Sweeney

What a fantastic end to what was a great year with Kalinda Carols Night! We would like to take this opportunity to thank all of the wonderful people who helped out to make this night a success. Firstly, Mrs Butler for organising all the songs, format and children’s rehearsals, Mr Barnden and Mr Todd for providing lovely background music while people enjoyed their dinner, and all staff for volunteering their time to attend. A special thank you to the staff brave enough to get up and sing and play to the crowd, what a treat! An enormous thank you also to those who cooked a massive 700 sausages. Thank you also to the P&F volunteers that assisted with cooking, handing out sausages, icy poles and lollipops on the night. Without your help the night would not have been possible. What a fantastic effort by all!

This year, we are so excited to see all the children back at school and settled into their new classes. It was lovely to see all the new preppies and the parents who joined us at the Kalinda Kafe for ‘Tears and Cheers.’ A great morning was had by all and we loved meeting new families and catching up with families sending more of their children off to school. The Kalinda Kafe is up and running again this year every Monday morning following assembly, providing coffee and morning tea, thanks to Nicole. A gold coin donation is required to cover costs so that we can keep offering this fantastic service.

Parents and Friends are in the process of coordinating this year’s Parent Representatives. Becoming a Parent Representative for your child’s classroom is very rewarding. Your duties are really very simple; from organising a social get together, to liaising with teachers, organising your class stall for the school fete and coordinating parent helper rosters... and, of course, Parents & Friends are always available to support you! If you are interested in becoming a Parent Rep, please download the Kalinda Parent Rep Expression of Interest form from the internet (in the newsletter), or obtain a copy of the form from the office and return it to your child’s teacher.

This year Student Banking will start on Wednesday 6th March. Thanks to Cassy for running this program again this year. Unfortunately Karen is unable to help this year but we thank her for all her work over the years. We are looking for someone to take over from Cassy next year as it is her last year at the school. She is happy to train someone up this year - please email Shona, mattshona@hotmail.com if you are interested.

Our first P&F meeting is on Monday, 25th February straight after assembly in the Stadium. This is a fantastic meeting to attend to hear about the upcoming year and get your name down to help out with some fantastic events we offer the school community. Meetings are casual and a great way to meet people and find out more information about what is happening at the school.

We look forward to sharing a great school year with you all and encourage you to be involved in whatever capacity you can!!

Kind regards,
Parents and Friends.
