Kalinda Primary School's Vision Statement

A learning community with shared values, fostering a life-long love of learning through meaningful experiences, to embrace a constantly changing society.

From the Acting Principal........

LEVEL 4 TRIP TO CANBERRA

The first of our two trips to Canberra kicked off bright and early on Monday morning. Students from 5/6A and 5/6R departed at 7:30am from the school and have been enjoying a fabulous camp ever since. We have been receiving regular updates and photos from staff at the camp, some of which we are posting on Facebook to help keep the parents back at home informed about their progress. So far, students have visited Parliament House, Government House, The Australian Capital Exhibition, Old Parliament House, the Australian War Memorial and the Australian Screen and Sound Archive. They have also had some very fun evenings, including a trip to an indoor pool.

Next week it is 5/6O, 5/6B and 5/6M’s turn. A big thank you to Mr McLean for all the hours of organization that goes into planning a successful camp (let alone 2 camps!) and to all staff and parents that have gone along to the camps, giving up their own family time for a week so that these camps can take place.

1:1 iPads

Our 1:1 iPad program has been up and running in Level 4 with great success this term. Both students and teachers have slipped into this ‘new world’ without a hitch. To walk around in Level 4 you’d think the students had been using their own device as part of their learning for years!

It is incredibly exciting to see the amazing products our students are already coming up with. Teachers are giving students the freedom to respond to many of the activities that are set in class in their own way. They are often told the ‘what’, the ‘why’ and the ‘when’ of activities, but not the ‘how’. This allows them to use their own resourcefulness and creativity to produce unique and personalized responses to learning tasks. It means students can show their learning in the way they feel most comfortable or in the way that interests them the most. In this way, showing their learning becomes the focus of each session, rather than just completing the set task.
Cyber Safety

Towards the end of March, Kalinda will be running sessions on Cyber Safety for parents, staff and Level 4 students. These will be run by a guest speaker from the Australian Communications and Media Authority’s Cybersmart Outreach Program. Kalinda is committed to providing the best possible cyber safety education for our students, beginning right from Prep. It is very important that this is supported as much as possible in the homes of our students.

We would like to remind all parents that students should only use the internet in common areas in the home (i.e. not in bedrooms), and that their use should be monitored frequently. We are quite concerned with the number of our students that have social network accounts with websites that have age restrictions. We would like to remind parents that social networking sites such as Facebook, Instagram, Google+ and ooVoo are strictly 13+ and highly unsuitable for Primary aged students.

All unnamed lost property will be on sale again in the Stadium foyer on Monday before and after assembly.

If you missed out last week, here is your last chance to pick up plenty of bargains. All unnamed lost property is on sale at $2 per item (proceeds will be given to State Schools Relief Fund). After Monday, any items left on the tables will be thrown out!

This is a great chance to stock up on spare clothing for the coming year. First In – Best Dressed.

Please note that after this sale, all unnamed lost property will only be kept for one week at a time and then will be thrown out!! So please make sure that all of your children’s clothing, lunchboxes, drink bottles, school bags, footballs, basketballs, etc. are marked clearly with their first name and surname. Named articles will be returned to their classrooms.

KALINDA SIGN – VOLUNTEERS NEEDED

We are still in need of more volunteers to help change our sign at the front of the school. New messages are put up regularly each Monday and Thursday so we need to spread the load as much as we can. If you are able to help out please register your name with us at the office or phone 9876 3289 and speak to Gill or Annie. If there are enough people on the roster you would only need to change it 2 or 3 times a term. Your help would be much appreciated.

LITERACY AND MATHS TIPS TO HELP YOUR CHILD

Each week we will be putting a Literacy or Maths tip into the newsletter for you to share with your child. This week it is: Reading and Writing Go Hand in Hand….

Learning to write begins with scribble and drawings. This is an important first step and should be encouraged. Support your child to read their writing aloud. Create somewhere to store and display their writing.

Use your child’s experiences to create links between talking, writing and reading. Here are some steps to follow:

- Ask your child to talk about an experience or something that interests them.
- Ask your child what part of the conversation they would like you to write.
- As your child is talking, write down their ideas. Use the child’s language.
- Ask your child to read back the writing.
- Your child may want to draw a picture or create something to match the writing.

Harmony Day, Friday 22\textsuperscript{nd} March 2013

The message of Harmony Day is “Everyone Belongs”. Australia is a diverse country, being made up of people from different countries around the world, and many of these are represented here at Kalinda Primary School.

We will be celebrating this diversity on Harmony Day, Friday 22\textsuperscript{nd} March, with an activity and picnic day. Multi-age student groups will participate in activities designed to enhance their understanding of a country’s particular culture. We will share our understandings at a whole school picnic where students will have the opportunity to partake in multinational cuisine. We will then be having a short concert where students will be performing songs from around the world. Families and friends are welcome to listen from 2-3pm in the Stadium.

We look forward to a terrific day. Further information will be provided closer to the date.

Look what happened over the holidays?

The Level Two classes were stunned and amazed to find this giant zucchini hiding out in our veggie garden. In fact it seems we are specializing in giant zucchinis at Kalinda, having picked at least four more since our initial harvest.

We compared the zucchini to a pen and as you can see there is quite a difference. The mighty zucchini weighed 4.0kgs and was put to good use by Michelle and some students in the cooking of zucchini muffins.

Zucchini recipes welcome!

LOTE NEWS

I just want to say a big thank you to my host family. I have been staying with the Puckey family since the end of last term. I also had a great Christmas with them.

I enjoyed Aussie Christmas very much. That was the first time I have had Christmas Day overseas so I will never forget it. I really like to spend my time with them. I love to play with Emma and Hannah. We played on the trampoline, some games, swam in the pool and so on. It was so much fun. I also loved the animals they have like dogs, cats, a rabbit, horses, guinea pigs... Tim and Ronda who are my lovely host father and mother are always nice and kind to me. I was so happy to stay with such a great family. Everything I've done with them is a precious memory. Thank you very much for having me, Puckey family!!

Last week  Children came into the program with new friends from their new classes and we made friendship bracelets for our friends using beading techniques. The children also initiated a height chart which showed them how tall they are now and are keen to return to the chart next term to measure their growth and make estimations, guessing their next measurement.

This week  we are celebrating St. Valentine’s Day. Shrove Tuesday is next week so we will have the children making and decorating Pancakes with Claire.

It is also Random Acts of Kindness week which will give our children the opportunities to role model what it means to be kind to others and how to respond to these acts of kindness.

Staff News  – Becka Hume-Cook has stepped into the Co-Ordinator role with Assistants Claire Liston, Laura Taylor and Natasha Mancuso. Rachelle Senior will be joining our Osh team too. Big welcome to Rachelle and well done on her first week!

RECIPE OF THE WEEK!

♦ Makes 12
♦ Cooking Time: 20 minutes

**Choc Chip Banana Muffins**

What you need:
- 60g butter
- ½ cup castor sugar
- 2 cups self-raising flour
- ½ cup milk
- 2 eggs
- 2 ripe bananas
- 1 cup Choc Bits

Preheat oven to 200ºC. Either grease a medium muffin tray (12 sections) or line muffin tray with paper cases.

Melt butter in a small saucepan or heat-proof bowl in the microwave. Set aside to cool slightly.

Sift flour into a mixing bowl. Stir in sugar. Make a well in the centre of dry ingredients.

Using a whisk lightly beat milk, eggs and butter in a jug. Add to dry ingredients, along with mashed banana. Using a wooden spoon, gently mix ingredients until just combined. Stir in choc bits.

**Don’t beat the mixture or the muffins will be tough.**

Spoon the mixture evenly into the muffin cases. Bake for 20 minutes or until firm on top when lightly touched. Leave in the tray for 3 minutes. Transfer the muffins to a rack to cool.
