Kalinda Primary School's Vision Statement

A learning community with shared values, fostering a life-long love of learning through meaningful experiences, to embrace a constantly changing society.

From the Principal……..

Crossing the Road

After school on Wednesday I saw several adults with children in tow crossing Kalinda Road in places other than at the school crossing. This practice is very dangerous and does not train the children to use the crossing carefully. Kalinda Road is a very busy road and I know parents are rushing to pick up children and take them off to other activities; however keeping children safe surely should be the first priority. Please use the crossing, even though it may be just a little bit farther for you to walk.

School Council 2013

Congratulations to the following people who were elected Office Bearers of School Council at our first official meeting of 2013 last Tuesday night:

Louise Hickey – School Council President
Bryan Bennett – School Council Treasurer
Naomi Delaney – School Council Secretary

We look forward to another positive year on council as we work to make a great school even better!

Harmony Day at Kalinda

The message of Harmony Day is, “Everyone Belongs”. It is a day to celebrate Australia’s diversity. It is a day of cultural respect for everyone who calls Australia home – from the traditional owners of this land to those who have come from many countries around the world.

There are many ways we can celebrate Harmony Day – through sport, dance, art, film, music, storytelling, cooking and sharing cultural meals. By participating in Harmony Day activities we can learn and understand how all Australians from diverse backgrounds equally belong to this nation and make it a better place.

There were many multi-age activities happening throughout the school today, beginning with tasting of foods from different countries. A big thank you to Kelly, our Canteen Manager, and all her wonderful volunteers who helped deliver a magnificent feast for the taste buds. It certainly is great to see children trying, and enjoying, different types of food to what they would normally eat.

The day culminated in a feast for the eyes and ears, with all classes presenting dances and songs they had learned over the past few weeks. Thank you to our Performing Arts Teacher, Sarah Butler, for her fantastic organisation of the whole day. The children, and teachers, gain much from days such as these. Thank you to everyone! Photos of the day’s activities can be found on our school Facebook page.

EASTER RAFFLE

Thank you to everyone who donated items for the Easter Raffle hampers. We ended up with 162 prizes – wow! The winning tickets were drawn after school today and winners will be announced at assembly on Monday, 25th March.

KELLY WOODMAN
& FUNDRAISING COMMITTEE
On Monday 25th March, 3/4P will be performing their assembly item immediately after the National Anthem.

Hi my name is Lachlan McLellan from 5/6B & I’m doing the “World’s Greatest Shave”. I’m shaving my head to help find a cure for cancer. A year & a half ago my Nan died of cancer & I don’t want it to effect anyone else.

Rebel Sport have kindly donated some awesome prizes totalling over $150 for me to raffle to raise more donations. So far I have raised over $600!

This week I’m going to be coming around to each class to sell raffle tickets for a junior & a senior raffle at $1 per ticket.

It would be great if you could purchase a ticket to help raise as much as possible.

Thank you for your support!

LITERACY TIPS TO HELP YOUR CHILD

Glossary of Phonics Terms

You may have noticed that your child has been coming home from school using some strange and seemingly complex language. We thought we would fill you in and give you a glossary of common language we are using in our classrooms.

Phoneme – This is the term for the sounds in language. It is for sounds in language, not noises we hear in our environment.

Grapheme – This is the way we represent sounds using letters.

Digraph – When two graphemes (letters) make one sound, eg sh, ch.

Blending – This is the process where children push phonemes together to make words, eg,c-a-t is cat.

Segmenting – This is where children break words into individual phonemes. Dog is d-o-g.

Camera Words – These are high frequency words that have tricky spelling patterns. We use the strategy of taking pictures of these words to help children remember them.

I hope this helps with understanding the language your child is bringing home from school.

N.B.: These two events are purely participatory.

3. Nine and ten year old students will be required to run two laps of the one kilometre course,
4. Eleven year old students will be required to run three laps of the one kilometre course,

Next term, we will once again run with ‘multi-age’ activity groups in which students from Prep all the way through to Grade Six can opt-in to whichever of the following two activities they would like to:

1. Wednesday 3:45pm – 4:45pm: Futsal (Indoor Soccer) - (Coaching provider CONFIRMED as Eastern Indoor Sports Centre).

Unfortunately, the Ultimate Frisbee program is unable to be offered at this time due to the absence of quality coaches in our area. Therefore, the second weekly session will now be basketball through Spirit Magic Basketball Club (not to be confused with Maroondah Magic). I will get details ‘out there’ as soon as they have been confirmed.

Once again, I apologise for any inconvenience or disappointment caused.

Please e-mail me on sharvey@kalinda.vic.edu.au with your child’s first name, surname and grade, as well as your first name, surname, mobile phone & e-mail details if you would like your children to participate.

Please feel free to see me if you have any questions about anything ‘From the Sports Desk’ this week! Thanks & Regards,

School Banking - on Fridays from the beginning of Term 2!
(It’s still Wednesday next week.)

As of Term 2 this year our wonderful volunteers, Cassy and Julie, will be doing our school banking on **Fridays**.

Simply send in your child’s account book to school on a **Friday morning**, along with their savings, and hand it in to their teacher at the start of class. The money will be banked and your child’s bank book will be stamped and returned to the teachers the same day and the teachers will then return them to the children that day/early the following week …it’s that easy!

Happy saving everyone.
RECIPE OF THE WEEK!

If you are ever fortunate enough to have dinner with your partner one night without the kids - this is a quick but posh dinner for two.

Filet Mignon with Mushroom sauce

You will need:

- 2 bacon rashers
- 2 beef eye fillet steaks
- 1 tablespoon of butter
- 1 tablespoon of olive oil
- 1 medium onion, finely chopped
- 125g button mushrooms, thinly sliced
- 3 teaspoons of cornflour
- 1 cup water
- ¼ teaspoon mixed herbs
- 1 small beef stock cube

1. Cut rind from bacon using scissors or sharp knife. Wrap one bacon rasher around each piece of steak. Secure the bacon with a skewer or toothpick.
2. Heat butter and oil in a heavy-based frypan. Cook the steaks over a high heat for about 2 minutes or until steaks are lightly browned underneath. Turn steaks and cook over high heat until browned on the other side. Reduce heat to medium and continue to cook the steaks until they are cooked to suit individual tastes. Remove steaks from the pan and place them in ovenproof dish. Cover and place in a slow oven to keep them warm while you prepare the mushroom sauce.
3. Add onion to remaining butter mixture in pan. Stir over a medium heat until onion is soft. Add the mushrooms and stir over a medium heat for about 2 minutes or until mushrooms are soft. Blend cornflour with a tablespoon of the water, stir in remaining water, herbs and stock cube. Add to pan, stir constantly over a high heat until sauce boils and thickens.
4. Place steaks on serving plates and remove the skewers or toothpicks. Pour over sauce and serve immediately with vegetables of your choice.

An enthusiastic and dedicated teacher, Dindy is keen to give every opportunity to youngsters to explore music in a friendly and positive environment.

The love and enjoyment of music is the basis for all lessons. Youngsters are firmly encouraged, but not pressured, and most respond very positively.

Dindy also teaches both adults and young people in her home studio.
