From the Principal..............

WELCOME BACK EVERYONE

I hope everyone had a wonderful Christmas and holidays. I know the children are very excited to come back to school and renew friendships and begin new work. The new Prep children have settled in immediately and already it seems as though they have been here for quite some time, not just a few days! We also have a number of new children join us in other levels of the school and we welcome these families to our Kalinda community.

2015 will be another exciting year for Kalinda. We had 4 new teachers begin this year: Erin Norman (1/2N Leading Teacher), Mel Tattersall (1/2T), Carmel D’Amico (5/6D) and Frederick Lopez (3/4L). We also have two of our staff returning from Family Leave. Welcome back to Jo Ross and Bronwyn Steele. Next week we will feature photos of the whole staff if we can get everyone together on the one day!

SEVERE NUT ALLERGIES

KALINDA IS A NUT-FREE SCHOOL

We have some students at Kalinda who have a SEVERE allergic reaction (Anaphylaxis shock) to nuts or nut products.

This is an extremely serious condition and we must treat it with great care and concern. We also are aware that there are other children in the school who at the moment have milder reactions to nuts / nut products and eggs. This includes Nutella!

We do realise that labels on processed products can be very difficult to read and interpret, but we do ask you to be cautious in food preparation as this condition is very serious if children come into contact with nuts in any way.

Our school canteen will also not be selling food that contains nuts or nut products.

All children at Kalinda must be safe at school and it is the responsibility of the school and its community to make sure that happens. Even though these children may not be in your child’s grade it is still possible for playground equipment, to be contaminated by residue on fingers, etc.

Please communicate this message to the rest of your family if they are making lunches for your children. NO NUTS!

I thank you for your cooperation in this matter.
QUALITY BEGINNING CELEBRATION TOMORROW

During the past week we have been running a Quality Beginning Program in every grade of the school. During this time the children get to know each other really well, realising that we are all individuals and need to be respected for our unique talents and skills. We are reviewing the School Values and what those values mean for the behaviour we display at school. This program establishes a firm base of community values throughout the school. We are all members of the Kalinda community; children, staff and parents and as such have a right to be cared for and be safe, but also have responsibilities for the care, safety and wellbeing of others and the environment. Please discuss values and what they mean for them and how it relates to your families at home.

**As part of the celebration, all children in the school will be given an icypole each tomorrow afternoon. If you do not wish your child to have an icypole, please let your child’s teacher know tomorrow morning, or phone the office.**

STAFF CAR PARK

The car park is for Staff ONLY. This has to be the case because we cannot accommodate all parents in the car park, even if it is raining. We have had some instances of parents racing into the car park, ignoring the fact that there may be parents with toddlers walking through the car park. This is a dangerous practice and threatens the safety of our children and families.

Please communicate this message to all your family members who may be coming up to the school to collect children. The only exceptions to this ruling is people who have contacted the office and explained that they have a disability or picking up sick children. Those who have a heavy delivery for the school are also allowed in the car park. In these instances a permit will be issued to place on the dashboard of the vehicles.

Please, for the safety of you and your children at drop off and pick up times, use the School Crossing to avoid any unwanted incidents. Below are the recommended guidelines from Maroondah Council.

School Crossing Rules

1. A children’s crossing is a legal crossing when two flags are in place.
2. Children and adults who are crossing at a children’s crossing MUST comply with the supervisor’s directions.
3. You must always stand behind the yellow line.
4. Never follow the children’s crossing supervisor out onto the crossing. WAIT! THEY MUST GO OUT FIRST, WHEN THEY HAVE BLOWN THEIR WHISTLE (2 SHORT BLASTS) IT IS SAFE TO CROSS.
5. DO NOT ride bikes across the crossing, bounce a ball, fight, muck around or run – WALK QUICKLY AND SAFELY.
6. ALWAYS stay within the lines of the crossing and walk in front of the supervisor (never behind them).
7. The children’s crossing supervisor will always wait until it is safe before they walk out and blow their whistle.
8. Cars are not allowed to park on or around the crossing. The crossing area is usually signed NO STOPPING. The clearance around the crossing is for the safety of pedestrians. (YOUR SCHOOL AND YOUR CHILD).
9. Always be alert and listen to what your children’s crossing supervisor says.
10. REMEMBER - ALWAYS CROSS AT THE CHILDREN’S CROSSING WHEN IT IS IN OPERATION.

### BE SUNSMART IN TERM 1

Here at Kalinda we are a Sunsmart school which means that **all students** need to wear a school-approved hat during Term 1, which can be purchased at the Uniform Shop on Monday afternoons from 3.00 – 3.45pm. If anyone is not wearing a hat, the Yard Duty Teacher will ask them to stay undercover, out of the sun, for recess and/or lunchtime.
MEDICAL NEWS

A reminder to parents that students with medical conditions that require action plans, ie – Asthma or Anaphylaxis – to bring your completed form to the office ASAP. This is to allow the school to comply with DET guidelines and regulations. The plans are to be signed by your GP or specialist and need to be renewed every year.

If you have indicated on the enrolment form that your child has Asthma, you also need to supply a spacer (named) and your child’s relevant asthma medication.

If your child has an allergy and requires preventative medication or an Epipien, this is also to be left at the office.

If you have any concerns or questions regarding the above, please come and see me at the office.

FIRST AID OFFICER

We are looking to place another order for the Stickybeak Lunch Order bags. The form is on the website for you to download and print out. Once again, if you could return the form asap so I can finalize the order, it would be appreciated.

**KKPP IS COMING TO OUR SCHOOL in 2019!!**

"Kool Kids, Positive Parents" (KKPP) is a program of Eastern Health Child and Youth Mental Health Service (CYMHS) that will be operating in our school next year. This program helps young children to develop better skills in making friends, understanding and expressing feelings, and getting along with others. All children benefit from furthering their development in these areas, especially children who might be vulnerable to developing social, emotional or behavioural issues. The earlier we can build these skills in children the less likely it is that problems will become more difficult or long term.

The KKPP program will be running in our school in grades Prep to Three. The program involves: a professional learning package for teachers, classroom sessions, and small group work for selected children and parents. The classroom and group work aim to increase social and emotional skills in children. The parent group focuses on promoting positive behaviour and increasing social/emotional skills in their children. You may also see KKPP staff in our classrooms supporting teachers or in the playground. A consultation service is also available. These services are provided at no cost.

If your child is in grade Prep, One or Two or Three this year and you are interested in participating in this program, or would like further information, speak to Adele Woolard or you may wish to contact the KKPP Team Leader on ph: 9871 7705.
From the sports desk...

**SCHOOL SPORT VICTORIA (SSV):** Kalinda Primary School is a School Sport Victoria affiliated school. You will see this logo, and read about many SSV events throughout the year. As such, I thought it wise to let you know ‘what it’s all about’: School Sport Victoria (SSV) actively promotes school sport for all Victorian school students, years 4 to 12, as a means of supporting schools in developing their students’ health and wellbeing. SSV operates under the auspices of the Department of Education and Early Childhood Development with the aim of providing opportunities to participate in programs that extend from grassroots intra and inter school sport, to district, division, region, state and national levels. Students attending schools affiliated with SSV are eligible for selection in Victorian Teams to compete in 2015 School Sport Australia National Championships. Further information is available from your School’s Sport Coordinator or on the School Sport Victoria website, [www.ssv.vic.edu.au](http://www.ssv.vic.edu.au). **FYI:** Kalinda Primary School belongs to the North Ringwood DISTRICT, of the Maroondah DIVISION, of the Eastern Metropolitan REGION of SSV. Speaking of which...

**NORTH RINGWOOD DISTRICT SWIMMING TRIALS (G4-6):** The first major competitive event in Kalinda’s high-performance sporting calendar is traditionally the District Swimming trials. This year shall be no different, and the 2015 carnival is scheduled to be held at the Tintern swimming pool (access from Loma St.) on Monday February 17 (Term 1, Week 4). Thank you to those families who have nominated their child/ren to participate. I will e-mail you prior to the end of this week with all (now confirmed!) details. There is still time to nominate your child/ren should you wish to do so. Please contact me via e-mail and will be happy to forward the required information to you. The events are all 50m in the following strokes; Freestyle, Backstroke, Breaststroke and Butterfly. Depending on the nominations that I receive, we may also be able to enter a 4 X 50m Freestyle and/or 4 X 50m medley relay team.

**KALINDA PRIMARY SCHOOL’S FREE ACTIVE AFTER-SCHOOL COMMUNITIES PROGRAM:** At the end of the 2014 school year, the Active After-school Communities program sadly came to a close. From 2015, Sporting Schools will become Australia’s largest participation program for all children to foster a lifelong interest in sport. It will also fund sporting activities in more than 5,700 schools and provide access to a range of trained community coaches. With a $100 million investment from the Australian Government, ASC Chief Executive Simon Hollingsworth said that “Sporting Schools will draw on the successful elements of the ASC’s Active After-school Communities (AASC) programme…”

**LEVEL 4 INTERSCHOOL SPORT:** ...STARTS NEXT WEEK! Throughout Term 1, ‘Summer’ Interschool Sport is played during the cool of the morning. Game-play is generally from around 9:30am until around 10:30am. For teams playing ‘Away’, the bus departs for competition as soon after 9:00am as possible, and returns to Kalinda P.S. at approx.: 11:00am. Next week’s matches will be played against Antonio Park P.S. (631-639 Whitehorse Road, Mitcham).

# Program Update

Hello everyone! Welcome back to school for Term 1, 2015!

We would like to extend a very special welcome to our new students Jack (Grade 3), Alexandra (Prep.), Alexander (Prep.), Chloe (Grade 1), and Madison (Prep.) who have already settled into our OSHClub very well! We also warmly look forward to all of our regular children coming back and any other new children who would like to attend.

We would also like to extend a very warm thank you to the Whitmore family for their generous donation of play equipment to our program! We are extremely lucky to have been given these toys and games and we will all be doing our very best to look after them but more importantly to enjoy them!

Jeanette, Kalli, and Monali would like to invite all children who attend OSHClub to let us know what kinds of activities, games, sports, and fun things they would like to do whilst they are with us morning or afternoon. We would also like to warmly remind ALL children to please bring their hats and any special sunscreen with them to before and after school care. It is compulsory for all children to wear a hat and sunscreen outside during their stay at OSHClub and although we provide a basic sunscreen, we cannot provide hats for all children. We do have an area for children to leave a spare hat at our service and these are laundered regularly to prevent the spread of lice and other nasties.

We strongly encourage all children, parents, teachers, and community members to come in and meet us any time before or after school to bring us suggestions, find out more about our program, meet all of the staff members, and introduce yourself! Hopefully we will be seeing you soon!

Kind Regards,

Jeanette Lea, Kalli Boag, Monali Shah.

We Want You! We Want You! We Want You As A New Recruit!!
No, it’s not the YMCA, but it’s just as exciting, (well, almost!)
Wanting to volunteer, but only have 15 minutes or so to spare?
Then we’ve got the job for you!

It’s exciting, it’s worthwhile, but best of all, it’s super easy!!!

Our school sign is known far and wide. We’ve even been featured in a builder’s newsletter! Lots of passers-by have called the school to comment on our sign. So…to keep it interesting and up-to-date, we need volunteers on MONDAYS AND THURSDAYS.

The sign’s messages are prepared for you. It takes approximately 15 minutes to wind down the sign, change the letters and wind it back up again. This could be done at any time during the two allocated days. If we get lots of volunteers, you may only need to change the sign a few times a year. How easy is that?

Please leave your name, email address, contact number and preferred day on the slip below and return to your class teacher or directly to the office so a roster can be created.

Looking forward to a wonderful response!

Lyse Carlson 😊
